## WAY MORE THAN A CRUISE

Our Freedom Class and Voyager Class ships give you the space and freedom to discover the world in style. With a host of 'first ever' cruise ship features such as our FlowRider® onboard wave simulator and Ice Skating Rink, a conference and incentive cruise with Royal Caribbean will be just the perfect reward!

# ONBOARD FREEDOM CLASS & VOYAGER CLASS

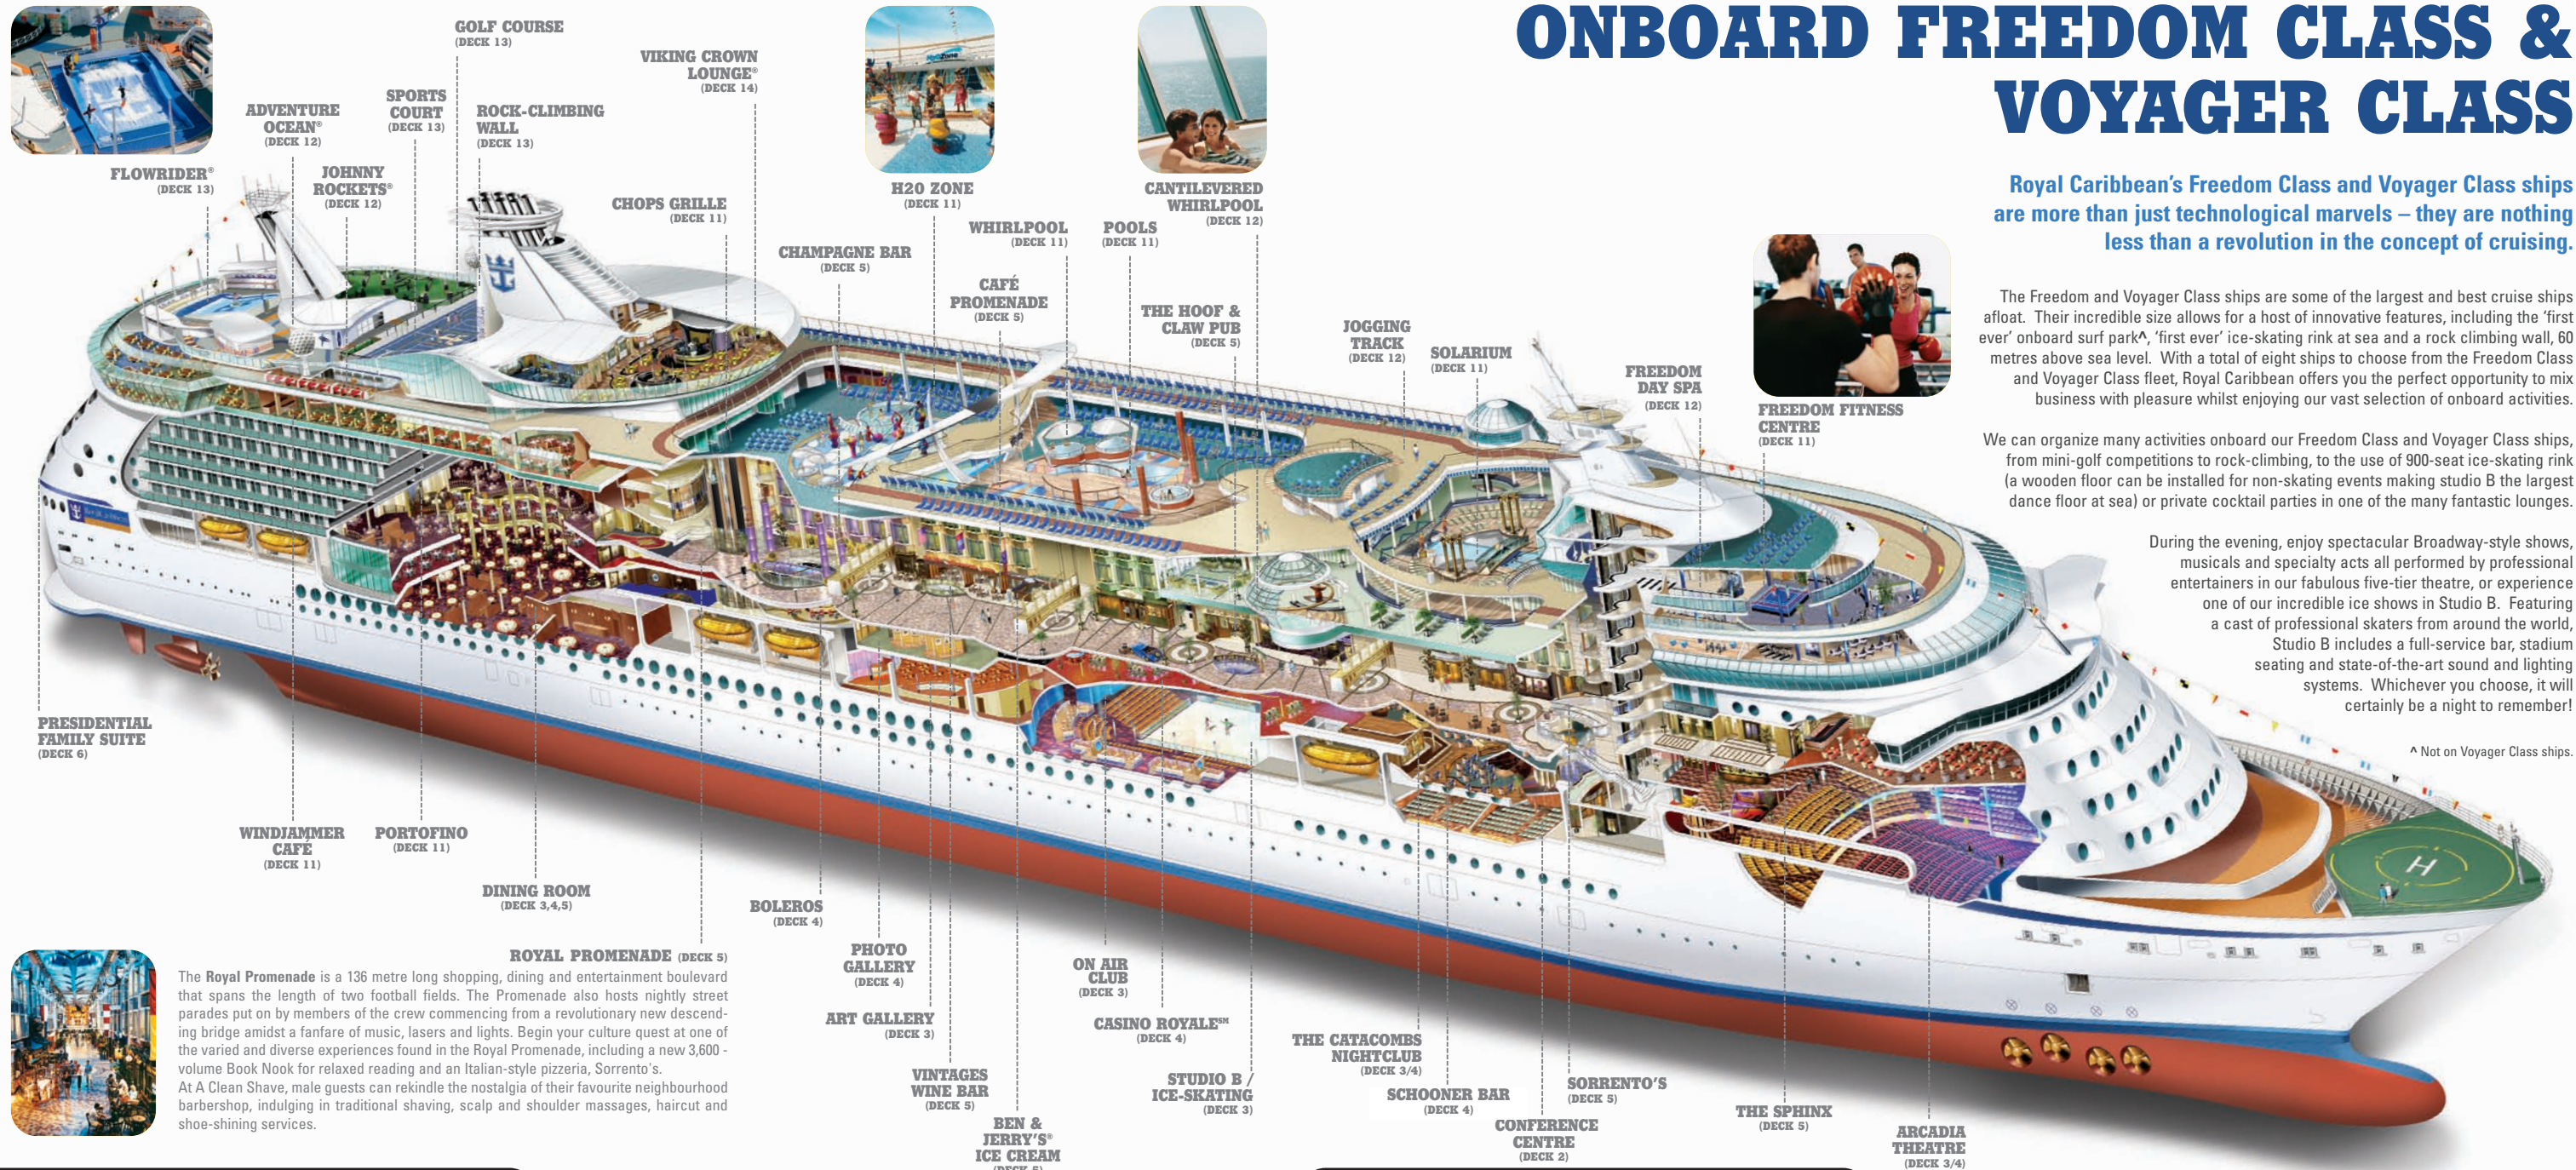

Royal Caribbean's Freedom Class and Voyager Class ships are more than just technological marvels – they are nothing less than a revolution in the concept of cruising.

The Freedom and Voyager Class ships are some of the largest and best cruise ships afloat. Their incredible size allows for a host of innovative features, including the 'first ever' onboard surf park<sup>^</sup>, 'first ever' ice-skating rink at sea and a rock climbing wall, 60 metres above sea level. With a total of eight ships to choose from the Freedom Class and Voyager Class fleet, Royal Caribbean offers you the perfect opportunity to mix business with pleasure whilst enjoying our vast selection of onboard activities.

We can organize many activities onboard our Freedom Class and Voyager Class ships, from mini-golf competitions to rock-climbing, to the use of 900-seat ice-skating rink (a wooden floor can be installed for non-skating events making studio B the largest dance floor at sea) or private cocktail parties in one of the many fantastic lounges.

During the evening, enjoy spectacular Broadway-style shows, musicals and specialty acts all performed by professional entertainers in our fabulous five-tier theatre, or experience one of our incredible ice shows in Studio B. Featuring a cast of professional skaters from around the world, Studio B includes a full-service bar, stadium seating and state-of-the-art sound and lighting systems. Whichever you choose, it will certainly be a night to remember!

The Royal Promenade is a 136 metre long shopping, dining and entertainment boulevard that spans the length of two football fields. The Promenade also hosts nightly street parades put on by members of the crew commencing from a revolutionary new descending bridge amidst a fanfare of music, lasers and lights. Begin your culture quest at one of the varied and diverse experiences found in the Royal Promenade, including a new 3,600-volume Book Nook for relaxed reading and an Italian-style pizzeria, Sorrento's. At A Clean Shave, male guests can rekindle the nostalgia of their favourite neighbourhood barbershop, indulging in traditional shaving, scalp and shoulder massages, haircut and shoe-shining services.
