OASIS CLASS

Accommodation Overview

Urban living has made its way onboard with multilevel lofts featuring spacious accommodations. With 37 suite and stateroom options, many with views unique to *Oasis of the SeasSM*, the breadth of choices is almost as limitless as the innovations onboard. You'll feel pampered in your own private sanctuary at sea.

Boardwalk view stateroom with balcony

Loft Suite

Loft Suites

The introduction of 28 contemporary two-level loft suites will redefine cruise ship accommodations with vibrant, ocean-inspired colors in a sophisticated and spacious setting. Never before seen at sea, the lofts will feature spectacular views of the ocean with floor-to-ceiling, double-height windows to ensure the view will be enjoyed from each and every vantage point. Sea breezes caress guests on spacious balconies that offer a retreat to lounge.

WAY MORE THAN A CRUISE

Our Oasis Class ships are truly an architectural marvel at sea, offering spectacular onboard elements and features never seen before in the entire cruise industry. With a host of revolutionary 'first-of-its-kind' cruise ship features, our newest and most innovative ships yet offer an unrivalled cruise experience, taking your conference and incentive trips to new heights!

Our new Oasis Class ship, *Oasis of the Seas*SM exemplifies how we continue to break the mold time and again – and how we undertake new endeavors.

When it comes to business onboard our new *Oasis of the Seas*SM, imagination and innovation has no boundaries – through its unique neighbourhood concept, seven areas of the ship will provide your conference and incentive groups with compelling choices and the ability to flow seamlessly throughout the ship to meet individual desires and preferences.

Rising Tide Bar

Rising Tide Bar

Host your cocktail party at our floating bar where you can be transported between three decks, from indoors to outdoors, offering you a unique cocktail experience that takes your business to a whole new level!

Royal Promenade

Royal Promenade

Royal Promenade is home to a vast array of shopping, dining and entertainment options including, the **Rising Tide Bar**, the first moving bar at sea, which will traverse three decks and allow cruisers to enjoy a cocktail as they slowly ascend into **Central Park**SM. A focal point will be a giant copper globe sculpture built into the facade above the Globe and Atlas Pub, which will “crack open” to create a spectacular, surprise element for guests, as it unfurls on hinged hydraulics and becomes a bridge platform for performances.

AquaTheater is created to offer two unique experiences: guests can swim in the theater’s magnificent kidney-shaped pool, relax on sun loungers located on tiered platforms surrounding the pool, and even take scuba lessons in the afternoon. At night, it will deliver a complete sensory experience playing on the element of surprise as audience members witness the venue come alive with heart-pounding theatrical performances featuring dramatic acrobatics, synchronized swimming, water ballet, and professional high-diving, as well as elaborate fountain shows synchronized to music and lights.
